

*Jesus – Jewish Prophet,
Messiah, and Savior
Session 4
Wed. December 6, 2017*

The Mission and Public Life of Jesus

The Gospels highlight Jesus' teaching and miracles during his public life. Like the prophets of the Old Testament, Jesus not only influenced the political climate of his time, but also addressed the needs of those who followed him. This episode brings together expert commentators to promote a contemporary conversation on how Jesus influenced his own time and how he addressed the needs of those who listened. Follow along with three experts who unearth the reality of Jesus's life and times, and discover a world of starvation, injustice and desperation for salvation searching for a Messiah to make his people free.
