

St. Monica Church – Mission Statement

We are a faith-filled, dedicated and hardworking *Family of Believers* called to build the Kingdom of God by:
BLENDING our Roman Catholic Traditions and our respected values and accomplishments with the call and vision of the present generation and those yet to come,
LISTENING to one another through regular dialogue, hearing in each other a word from God,
and *RESPONDING* to the difficult spiritual and social issues that face us through collaboration of our organizations and our developing ministries.
